Von Vicki Lansky : A New Baby at Koko Bear's House (Lansky, Vicki) before purchasing it in order to gauge whether or not it would be worth my time, and all praised A New Baby at Koko Bear's House (Lansky, Vicki):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A New Baby at Koko Bear's House Von Jacqueline Shohet Zabin This is a terrific book to help prepare children for their baby brothers or sisters. I have a 4 year old son and another child on the way and my son has enjoyed reading A New Baby at Koko Bear's House with me. It has elicited questions on my son's part and allowed us to discuss issues further. It covers several different topics including mom and dad going to the hospital and the fact that the baby isn't an instant

playmate. In addition, the illustrations are very appealing to young children. As an extra bonus for the parents, the author includes many helpful hints (on the bottom of each page) to help make your older child's transition easier.0 von 0 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungIn A NEW BABY AT KOKO BEARS HOUSE, a read-aloud story for young children and their parents, popular parenting author Vicki Lansky uses an adorable character, KoKo, the unisex little bear, to help them get ready for a new baby brother or sister. As KoKo learns about MaMa Bears pregnancy and BeBe Bears birth and homecoming, children will identify and share the experience. Here children learn what they can expect with the arrival of this new baby. The simple story, written especially for children from two-and-a-half to six years old, describes feelingsjealousy, displacement and sagging self-esteemthat children will come to understand are normal. Charming color illustrations by Jane Prince warmly convey the anticipation and apprehensions of an expanding family. Each page contains a separate box with helpful tips and suggestions for parents to read silently while they read aloud to their child. KoKos story and the accompanying advice for parents together should help make a new babys arrival a happy event for the entire family.
