Von Miriam Huffman Rockness : A Passion for the Impossible: The Life of Liliias Trotter (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Passion for the Impossible: The Life of Liliias Trotter (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An intriguing and thought provoking story, a good read.Von Ein KundeThis book does indeed weave a challenging and interesting tale of a pioneer missionary, who for the sake of the gospel left a comfortable and gracious victorian life

for a life of sacrifice in the northern deserts of Africa, among Muslim tribesmen. It is carefully crafted and includes some prints of Liliás' own artwork, which from what can be seen, is lovely. I wish a book could be devoted to more prints and more about Liliás' travels!

Kurzbeschreibung You may not have heard of Liliás Trotter, but you know the hymn she inspired *Turn Your Eyes Upon Jesus*. After you read *A Passion for the Impossible*, you'll never hear that song without remembering Liliás and what she did. She left her life of privilege in England and her promising art career to settle in hostile Algeria. Dismissing her because she was a woman, the Algerian men accused her of being a British spy. But for the sake of the gospel, she never quit, no matter how many obstacles were in her path. You'll marvel as you read about this woman's passion for the impossible, her brilliantly gifted life, and the miraculous ways the Lord used her to share the gospel.

Pressestimmen "I am stounded by... the beautiful expression of who Liliás was and what her legacy teaches us. I couldn't put [the book] down, as they say, and I read it--devoured it--carefully, gladly, and with great blessing... a "drop everything book"!--Elisabeth Elliot, author and speaker" "I am astounded by ... the beautiful expression of who Liliás was and what her legacy teaches us. I couldn't put [the book] down, as they say, and I read it--devoured it--carefully, gladly, and with great blessing ... a "drop everything book"!--Elisabeth Elliot, author and speaker" "Miriam Rockness [has done] a painstakingly superb job of researching original documents. Her book is [filled] with quotes that will challenge the reader's faith and obedience to God ... A fresh look at another one of England's distinguished missionary pioneers."--Jim Reapsome, review for "Evangelical Missions Quarterly"
