A fascinating story and a truly inspiring womanVon StephanieIn its several layers, Tori guides the reader through the nuts and bolts of rowing across the atlantic; through the joys and the sorrows of life in the ocean; through the physical and psychological battles along her journey; and through the mind and history of the person that decided to embark in

such a journey. It is a beautifully written book, a page-turner filled with powerful images and messages. Hats off!

Kurzbeschreibung If you want to be inspired, read this book. You won't stop till you've finished. Sena Jeter Naslund, author of *Ahab's Wife* *A Pearl in the Storm* is the true story of Tori Murden McClure, the first woman to row solo across the Atlantic Ocean. McClure's memoir, subtitled, *How I Found My Heart in the Middle of the Ocean*, is more than a woman-against-the-elements adventure tale; it is, in the words of actress Candice Bergen, a story of courage, adventure, and personal discovery that will appeal to women and men of all ages. Beautiful, breathtaking, moving, and inspiring, *A Pearl in the Storm* will appeal to the millions of readers who made *Eat, Pray, Love* a resounding success.

Pressestimmen Tori Murden McClure is one of the most remarkable women I have ever met; her journey across the ocean is equal only to her journey of the heart. This is a story of courage, adventure, and personal discovery that will appeal to women--and men of all ages. (Candice Bergen) Unlike Hemingway's *The Old Man and the Sea*, Tori Murden McClure's true story of a woman and the sea and a boat named *American Pearl* is one of victory. If you want to be inspired, read this book. You won't stop till you've finished. (Sena Jeter Naslund, author of *Ahab's Wife*) For those six billion or so of us on planet Earth today who will never row across an ocean, this extraordinary narrative by one fellow human who did so transports us to places beautiful, haunting, daunting, terrifying, and uplifting. (Roy Hoffman, author of the novels *Almost Family* and *Chicken Dreaming Corn*) In this fine book, Tori McClure generously gives us at the same time a wonderfully told adventure story and a moving account of a storm-wracked journey through self-discovery into healing. . . . (Charles Gaines, author of *The Next Valley Over*) The reader of this book encounters a rare spirit whose courage is an inspiration. (Jill Ker Conway, author of *The Road from Coorain*)
