Von Barbara Leachman : A PLACE OF REST: A memoir (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A PLACE OF REST: A memoir (English Edition):

Kurzbeschreibung What do you do when the one you love is ill and may die? Do you accept the inevitable or keep a distance from the truth? Do you pray and work to stay in faith? Barbara Leachman has faced the deaths of people she loves and admits she did it both ways. She offers her experience and insight in the hope it will help others who walk down this path.
