Von Dennis G. Michno : A Priest's Handbook: The Ceremonies of the Church, Third Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised A Priest's Handbook: The Ceremonies of the Church, Third Edition:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Priest's Handbook Is Indispensible Tool Von Ein Kunde You'd think after the years of aspiration and discernment, the three years of seminary and subsequent service in the transitional diaconate, that ordination to the priesthood would not

leave one fumbling to conduct the ceremonies of the Church. Fortunately, wise souls who have gone before us knew better and this outstanding reference was the result. The beauty of our liturgical heritage is preserved when the celebrant is aware fully of his or her duties in each ceremony. "A Priest's Handbook" gives each fledgling priest a vital grounding in the essential elements of presiding over and celebrating the rituals of the Church. More importantly, the handbook reaffirms the gravity and solemnity of the celebrant's role and the necessity of leading a given service effectively. This handbook is an excellent reference for Lay Eucharistic Ministers as well, but no deacon or priest should be without it and should approach no ceremony until thoroughly familiar with its contents.

KurzbeschreibungThe definitive reference work that simplifies liturgical officiating and celebrating of the rites of the Episcopal Church. A Priest's Handbook explains the appropriate use of vestments, color, altar preparation, as well as gestures and movements during the various services. It also explores the particular prayer and liturgical options for the Holy Eucharist, Holy Week, Baptism, and other events in the Church's calendar. Sections on the use of the lectionary and the daily Offices make this handbook truly comprehensive.
