**Von Rick Joyner : A Prophetic Vision for the 21st Century** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Prophetic Vision for the 21st Century:

Kurzbeschreibung Rick Joyner says, "We have tended to over-focus on the end of the age-the end times. But this is not just the end, it's the beginning of a new age when Christ will rule over the earth! For the church to reclaim the high ground of hope for the future, we must begin to proclaim the beginning, the coming of the kingdom." In A Prophetic Vision for the 21st Century, Joyner discusses why revival tarries for America, what it means to be delivered from the Mark of the Beast, the rise and fall of America, the greatest awakening, a famine in the land, and practical ways to serve in the latter days. It includes encouragement for weary church leaders as well as the second part of The Hordes of Hell are Marching, illustrating the unified church rising as an army in the most pivotal battle of all time between the light and darkness.

Synopsis This volume combines the author's prophetic visions for the future with the practicalities of living as a Christian in the new century. He calls for people to accept "the mark of God" as the only true defence against the mark of the beast.
