Von Lemony Snicket : A Series of Unfortunate Events Collection: Books 1-3 with Bonus Material (A Series of Unfortunate Events Boxset) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Series of Unfortunate Events Collection: Books 1-3 with Bonus Material (A Series of Unfortunate Events Boxset):

KundenrezensionenHilfreichste Kundenrezensionen8 von 8 Kunden fanden die folgende Rezension hilfreich. Tolle Bcher - einfach zu lesen!Von MelanieIch bin erst durch den Kinofilm auf Lemony Snicket aufmerksam geworden und da ich persnlich gerne englische Bcher lese habe ich mir bei diese Box bestellt. Ich bin von den Bchern begeistert auch wenn sie sich vom Film sehr unterscheiden - was ich in dem Fall aber super finde da ich manche Dinge im Film nicht verstanden habe! Die Bcher sind einfach viel ausfhrlicher!Und keine Angst vor den englischen Bchern - Lemony Snicket erklrt fast jedes Wort das der Leser nicht kennen knnte sehr ausfhrlich und man versteht wirklich alles!Eine tolle Box mit den ersten drei Bnden die ich nur empfehlen kann!!!4 von 4 Kunden fanden die folgende Rezension hilfreich. Atemberaubend...Von Fuchs Joan...und zwar nicht nur fr Kinder. Ich hatte von dem Film gehrt, ihn aber verpasst und mich deshalb nach den Bchern umgesehen. Zufllig fiel mir diese Box in die Hnde. Ich dachte mir schon, dass ich wohl ziemlich lange daran lesen wrde, konnte mich aber dennoch nicht zurckhalten und wollte kurz reinschauen. Bevor ich mich versah, war ich beim 2. Buch angelangt, das ich eben so schnell verschlang. Eine ungewhnliche Serie, die einem manchmal den Atem stocken lsst. Sehr gelehrt, dennoch in einer Sprache, die auch fr Kinder verstndlich ist, auch wenn die Bsartigkeit mich manchmal an der Tauglichkeit fr Kinder zweifeln lsst. Auf jeden Fall eine grosse Entdeckung, die auf die weiteren 9 Bnde neugierig macht. beraus lesenswert, fr alle Altersstufen.3 von 3 Kunden fanden die folgende Rezension hilfreich. jep- great!Von Claudia HercherI am 23 years old, but that does not stop me from enjoying these "unfortunate events". But I think, that nearly eveything has been said about this box by other commentators. Just one thing: the movie may be good- the books are so much better. And the word better means here, that you can not compare the movie to the books, because they are far more entertaining and simply just... well... better in any meaning this word can have. In my opinion the movie should have dealt only with the first book, because this has already enough story and so on to make a movie for itself.

KurzbeschreibungNOW A NETFLIX ORIGINAL SERIESLemony Snickets unhappy tale of the unlucky Baudelaire siblings begins with The Bad Beginning. In this short bothersome book alone, the three orphans encounter a greedy and repulsive villain, itchy clothing, a disastrous fire, a plot to steal their fortune, and cold porridge for breakfast.Should you not mind deadly serpents, slippery salamanders, lumpy beds, large brass reading lamps, lng knives, and terrible odors, then proceed with caution to the second book in the miserable series, The Reptile Room.Readers unbothered by inclement weather, hungry leeches, and cold cucumber soup will want to continue with the third installment, The Wide Window. Others will not.If youve got the stomach to wade through the first three tragic tales in Lemony Snickets A Series of Unfortunate Events, then this troubling collection might be the one for you. Several loathsome extras, including a compilation of unsettling quotations and a very disturbing portrait, await those who successfully complete the wretched journey. Youve been warned!.deFans of Lemony Snicket and newcomers to his gleefully ghastly Series of Unfortunate Events will be elated to discover this boxed gift set of the first three books in hardcover: The Bad Beginning, The Reptile Room, and The Wide Window. While it's true that the events that unfold in Snicket's novels are bleak, and things never turn out as you'd hope, these delightful, funny, linguistically playful books are reminiscent of Roald Dahl, Charles Dickens, and Edward Gorey. After they get their paws on this boxed set, there is no question that young readers will want to read the continuing unlucky adventures of the three Baudelaire orphans. (Ages 9 and older) --Karin SnelsonKurzbeschreibungNOW A NETFLIX ORIGINAL SERIESLemony Snickets unhappy tale of the unlucky Baudelaire siblings begins with The Bad Beginning.
