Von A. E. (Alfred Edward), 1859-1936 Housman : A Shropshire Lad before purchasing it in order to gage whether or not it would be worth my time, and all praised A Shropshire Lad:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Easy, entertaining reading Von Ein Kunde Housman is one of those very popular poets that are looked down by your English professor as being low brow and unfit for the elect. If you're the type who claims to belong to these elite, good luck for your choice of a sour life, you should never be caught with this book. Everybody else, dip in, the water is just fine. In Housman's poetry, there is sense, and ideas you can understand on first reading. Moreover, there are rare qualities you

seldom see nowadays - rhyme, rhythm, correct grammar, proper punctuation, and words spelled so you can confirm from any English dictionary that they were used right. Be warned however that Housman's themes are repetitious (probably explains why he never wrote much poetry - perhaps he realized he is beginning to sound like a broken record even for the little poetry he was able to write), mostly about the transitoriness of youth and the tender sadness of death. Reading him too much too often is like listening to the greatest hits collection of a minor singer - after the third song, you get tired. But you did enjoy the first two. When I first bought this book in April 2000, the list price was only \$1.00 and 's price was 80c. It was good value then even for someone living in Asia. Now that there's a special surcharge, I guess it's just good value if shipping cost is minimized. For your money, however, try to find the old edition with line drawings. That was the first time I read Housman, and the line drawings really enhanced the haunting loneliness of the sad poems. 0 von 0 Kunden fanden die folgende Rezension hilfreich. those blue remembered hills Von Huwge One of my father's favourite poets and I only have to open this book to be transported to that border landscape and a time gone by
