CastroIn Roy Hick's book "A Small Book About God" he brings new hope to the hopeless. He calls us to dream again and to hope in what God has destined us to be. For those of us who have stumbled along the way and toppled over because life's load proved to be too heavy this book brings fresh oxygen to our spiritual lungs. I'm on my second read of this book.

KurzbeschreibungA Small Book about God contains a straight-to-the-heart message derived from the collected sermons of beloved pastor Roy Hicks Jr. Over the years of his ministry, he encouraged thousands to walk after God in a daily and purposeful way. This book is a small but delicious sample of those teachings, certain to move readers to deeper levels of trust and relationship with God. Says pastor and author Ron Mehl: "I know of few people who have made a more monumental impact on the Kingdom of God than Roy Hicks, Jr. God took a basic, Midwest preacher's kid and turned him into a pastor, a mentor, a songwriter, a preacher, and a leader of leaders...thousands like me have been profoundly impacted by his writings and ministry."KurzbeschreibungA Small Book about God contains a straight-to-the-heart message derived from the collected sermons of beloved pastor Roy Hicks Jr. Over the years of his ministry, he encouraged thousands to walk after God in a daily and purposeful way.
