**Von Edward P. Myers : A Study of Angels (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Study of Angels (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Dr. Myers gives a Bible answer to the question of angels. Von Charles Grantham (grantham@alaweb.com) While including many of the myths concerning angels, Dr. Myers has answered many of the questions concerning angels with Bible truths. His study lends itself to only stating as fact what can be backed up with scripture. This treatment of an

interesting study leaves one feeling informed about the true concrete facts, yet some things are left to the imagination. If you are looking for a biblical study of angels, then this book must be included in your reading.

**Kurzbeschreibung** This study of angelology discusses the origin, nature, activities, and destiny of angels all based on solid, biblical teaching assuring readers that they are not alone in this world. The interest in angels has never been greater. But with so much speculation and misinformation out there, how can readers separate truth from fiction? This study of angelology discusses the origin, nature, activities, and destiny of angels all based on solid, biblical teaching. While comprehensive in scope and biblical in foundation, this book is easy to read and understand. This fascinating and informative book assures readers that they are not alone in this world.
