**Von John L. Work : A SUMMONS TO PERDITION: BOOK 2 (The Detective J.D. Welch Files 5) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A SUMMONS TO PERDITION: BOOK 2 (The Detective J.D. Welch Files 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Work is such a good story tellerVon Alana WoodsIm beginning to wonder if John L Work is a prophet.Book 2 of SUMMONS TO PERDITION picks up the story of JD Welch, retired policeman, and his wife Ann. Theyve been on the run for a long time, ever since JD ran foul of Muslim militants while undertaking the privately-commissioned rescue of a kidnapped young woman. JD and Ann are now on Islams death list. Their ceaseless wandering ends when their whereabouts become known and theyre sent a message that Anns sister and her husband are being held captive and will die if JD and Ann dont return to face their fate.The personal story of JD and Ann is interspersed with the ever-worsening crisis of World War IVthe battle for world supremacy between Communism and Islam.Even though the predictions are dire there is a satisfactory ending of sorts.Work writes in such a way that he takes you with him into the story and you believe every word he utters. Hes such a good story teller.

KurzbeschreibungIts 2016 A.D. Retired sheriffs detective J.D. Welch and his wife, Ann, have been nomadic fugitives for nearly five years. Theyre trying to stay ahead of a team of jihadis who intend to kill them, in revenge for Welch having foiled part of a Muslim terror plot. By the way, the ex-cop killed three soldiers of Allah during his private investigation into their sex slavery operation. The imam mastermind behind the original plan intends to make him pay for those lost lives. But first he has to find the elusive ex-cop.The terrorists kidnap two of Anns family members and hold them hostage to be released only if Welch and his wife surrender themselves for what is sure to be a most horrible execution.Set in a United States that has become the epicenter of World War IV, the last great struggle between the forces of Islam and Karl Marxs ideology, the couple must travel a perilous route from Idaho to Texas where certain death awaits them. To get there, they have to go through the war zone, where pitched battles have already erupted between the two warring factions. Its going to be a very rough ride.KurzbeschreibungIts 2016 A.D.
