**Von Carol Riddell : A Way Forward for Humanity - The Spiritual Basis of the Findhorn Community (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Way Forward for Humanity - The Spiritual Basis of the Findhorn Community (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. short overview Von prototyp3 This is a well-written short account of the main philosophy/ concepts underlying the Findhorn

Community. It provides an up-to-date orientation of what it is about. If you want to find out more then there is the rather longer Die Findhorn-Story. Ein Menschenbild fr das 21. Jahrhundert in German, or that is also in English as "The Findhorn Story" by the same author.

KurzbeschreibungFor more than 50 years the Findhorn Community in the North East of Scotland has developed a straightforward spiritual way of living. At first seen as a 'New Age' community, it has become recognised even by the United Nations for its ongoing example of positive, harmonious living. This small book explains the reasons why. The principles outlined here are probably relevant to all humanity.

KurzbeschreibungFor more than 50 years the Findhorn Community in the North East of Scotland has developed a straightforward spiritual way of living. At first seen as a 'New Age' community, it has become recognised even by the United Nations for its ongoing example of positive, harmonious living. This small book explains the reasons why. The principles outlined here are probably relevant to all humanity.

ber den Autor und weitere Mitwirkende Carol Riddell was a member of the Findhorn Community from 1983 - 1992. After writing a book about the Community, she left to explore putting its principles into practice in a project on the Isle of Mull, and, later, in Australia. She returned to the Findhorn area in 2004 and has since been a member of the New Findhorn Association. She was initially trained as a sociologist and lectured at two UK universities. She is the author of 8 published books.
