Best Book I Ever Read - Powerful, Sweet Love StoryVon Deborah FrankelI simply love the way the characters fall in love, and can't seem to resist each other. Both come from troubled childhoods, and bond in a powerful way because they are truly kindred spirits. The female character has thirsted for friendship, let alone love, and has always thought there was something about herself that kept others from liking, let alone, loving her. But Rye finds her irresistable despite himself, and his totally misplaced and incorrect misconceptions about her.Is the title "Dance Sonata" by Susan Fox

also a romance novel by this same author (hard back listing from 1987)? If so, has anyone a description of the plot of this book? If it's anything like "Wedding In the Family," I must have it!0 von 0 Kunden fanden die folgende Rezension hilfreich. Lillian's little sister is marrying Rye's brother - Von Holly Fuhrmann (hfur@aol.com)could it be the wrong couple is tying the knot? Lillian doesn't understand the big, brash rancher who is determined to see the wedding never takes place. Rye can't figure out the reserved socialite who is the opposite of her wayward sister Rocky. Is she hiding her true nature, or could Lillian be as sweet as she seems to be? A couple who seems total opposites, just might end up being a match-made-in-heaven. This is my second book by Susan Fox, but it definitely won't be my last. She has a powerful way with words and tells a beautiful love story.

KurzbeschreibungRaised under her millionaire aunt, a young Woman named Lillian has grown up in high society. However, for some reason, her aunt has always ignored her, favoring her rambunctious younger sister. There must be some reason why I'm always hated by everyone... One day, her younger sister suddenly elopes with a cowboy! Ordered by her Aunt to bring her younger sister back, Lillian heads off by herself to Texas. Waiting to pick her at the airport is Rye, the older brother of her sister's lover. Although he has a charm not found in New York men, why does he have a prejudice that all city girls are stuck up and flamboyant?KurzbeschreibungRaised under her millionaire aunt, a young Woman named Lillian has grown up in high society.
