**Von Alice Mathews : A Woman Jesus Can Teach (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Woman Jesus Can Teach (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. New Testament FocusVon Ein KundeWhenever I have studied the women in the Bible, I have learned about Sarah and Hannah,etc., but in this small, but impressive book they aren't included. Author and teacher Alice Mathews brings to life named and unnamed women in the New Testament by exploring how and why Jesus responded to them in the ways he chose to. In the preface she wrote: "But as we moved into Jesus' earthly life and ministry, I felt less and less at

ease with the Jesus I met in John's gospel. I wanted the collegiants in my class to worship this Jesus and give their lives to Him. But He said and did strange things. He sounded rude to his mother." In this way she examines some of the bewildering ways of Jesus, and joins us in pondering the gospels. For me, this is a slow read, with 4 questions for either personal reflection or group discussion at the end of each chapter. When I hope to be teachable in my faith, I open "A Woman Jesus Can Teach" and savor one chapter at a time. In the chapter about the Canaanite woman, Mathews writes: "Take heart. A little bit of faith is still faith. A drop of water is water every bit as much as a reservoir of water." Later in that chapter she concludes: "A nameless Canaanite woman...reminds us that in our crisis experiences, we can hang on and trust God because He is the only one who is trustworthy." The study group I participated in opted not to use this book, as for many it seemed too much work. They wished for light, quick reading. But for my personal study, I am glad it has a place on my shelf.

Kurzbeschreibung Discipleship is more than just following Jesus. Its a relationship of love and trust allowing God to do for you what you can never do for yourself. In A Woman Jesus Can Teach, Alice Mathews studies the lives of several women in the Gospels whose lives were changed by an encounter with Jesus. Discover how Jesus can transform your life when you activate your faith and align your priorities with Gods will. Kurzbeschreibung Discipleship is more than just following Jesus. In A Woman Jesus Can Teach, Alice Mathews studies the lives of several women in the Gospels whose lives were changed by an encounter with Jesus. Discover how Jesus can transform your life when you activate your faith and align your priorities with Gods will. Buchrckseite With an alabaster flask in her hand, Mary of Bethany made her way across a crowded room to find Jesus. Then she gently poured fragrant oil on His head. As it seeped down into Jesus's beard, Mary knelt and poured more oil on His feet, wiping the excess with her long, flowing hair. She had given her very best to express her love and gratitude for Jesus--the Master Teacher--the One she had chosen to follow and obey. Sharing wisdom for Christian women living in a world of multiple responsibilities, A Woman Jesus Can Teach highlights the stories of Mary of Bethany, Mary Magdalene, two widows, and several others in the Gospels. In each of their encounters with Jesus, you'll see how He defied traditions and took great risks to offer them hope, new life, or a second chance. These biblical accounts will encourage you to examine your own relationship with Jesus. Discover how you can strengthen your faith, align your priorities with God's will, and allow Jesus to teach you how to make choices that will glorify Him.
