Von Ein Kunde I enjoyed the book for its "down home" approach to golf. It didn't fill my head with unnecessary swing thoughts and ideas. Simple, straight forward with great visual keys to help both on the range and on the course. Great job... Barbara, Jim and Eddy!!! 0 von 0 Kunden fanden die folgende

Rezension hilfreich. a clear, simple and artistic look at golf basics. Von Ein Kunde I enjoyed reading the book and using the visual keys to help reinforce what I had read. Barbara and Jim have made an enjoyable golf read that doesn't bog down the mind. After reading the book, I went out and used the keys they suggested...they work!!!..and its so simple...study the basics...study the basics..this book shows you how. I loved the classic illustration work as well.

Kurzbeschreibung Legendary instructor Harvey Penick enchanted students with his homespun approach to golf. He also mentored a small core of successful teachers who now carry on his simplicity, humor, and rock-solid belief in the fundamentals. One of his students, Barbara Puett, together with Jim Apfelbaum, has written a book that demystifies golf's complexities from a woman's unique perspective. A Woman's Own Golf Book acknowledges that millions of women attracted to the game have other demands on their time. A companion to Puett's sold-out clinics and seminars, the book features beautiful illustrations, and a package that like the memory of her beloved teacher, will stand the test of time.
