This book has helped and encouraged me to continue to grow in the fruits of the Spirit. Ms George has a way of writing that is warm and

encouraging and that really makes one feel like "yes, I can do it to." A must read for Christians really wanting to get on and grow with God and to nurture the fruits of the Spirit in our own lives and in those people who surround us.³

Rejoicing in the role of mother, daughter, wife, housekeeper, working mom, single mom. It is a journey we choose to take with our hearts and thoughts focused on the fruit as opposed to the flesh. I especially enjoyed Ms. George's humbleness of describing her own challenges to overcome of the flesh. Very sweetly written with a very special message.
