KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I highly recomment it!Von KundeThis is so much more than a book: it's an in-depth look at the book of Proverbs and the Bible

in general on the matter of wisdom; it's a Bible study for you, your Bible group, the women's group in your church that will help you grow in your understanding of who you are and who you should grow to be in the Lord. This is a great tool for any church and any individual seeking to be more Christlike. It's a look at wisdom as a result of someone who fears and trusts in God and believes in Jesus as her savior, and lives her life accordingly. It is extremely well written. The author goes right to the point (which is a big thing for me), very straightforward, using simple terms; very wise and precise. It will lead you to take a good look at yourself, at who you think you are and who you really are, and it will guide you along the way in your path to wisdom and growing in the knowledge of God. It also explores the many blessings of living wisely, as beautifully stated in Proverbs 31. The author does a great job of explaining how you can really be a virtuous woman, what it means to be one. But I want to be very clear: this is not a step by step guide on becoming wise. It is a book on biblical wisdom, which starts with knowing, loving, trusting and fearing God and continues on with our growing in His knowledge. Wisdom is God-given but we also have to work at it. Excellent book that I will be reading again. I highly recommend it.

Kurzbeschreibung Advice books are no short-lived trend. They continue to top bestseller lists even though much of the wisdom being offered proves shallow in the long run. People are looking for practical, proven advice for life and the book of Proverbs is the wisest place to start. Unpacking the book of Proverbs, Lydia Brownback shows how the Bible speaks to real life issues such as money, purity, marriage, and the day-to-day grind. Writing with a familiar yet knowledgeable tone, Brownback draws in the busiest of readers and asks realistic questions for personal reflection or group study. This well-conceived, twelve chapter book contains three parts: What Is Wisdom and Why Does It Matter? Six Things Wise Women Know A Portrait of Wisdom A Woman's Wisdom gives women a way to be wise, to know the very Author of wisdom, and to understand how to apply his relevant, riches.
