Beautiful inspirationVon SternchenThe book is a beautiful inspiration to focus more on the little things in everyday's life. A silent connection between two strangers, each of them posting a single photo of their morning everyday which took place on a weblog first and was printed as a book later. The book is poor in paper quality and layout - nevertheless the photographs are beautifully edited and spread a realxing and silent atmosphere. Nice to look at.0 von 0 Kunden fanden die folgende Rezension hilfreich. hbsch und belanglosVon btxxder blog hat mir sehr gut gefallen, schn anzuschauen und zart verbunden die fotos. im buch sind die fotos sehr klein und wirken einfach belanglos

aneinandergereiht. ziemlich langweilig.0 von 2 Kunden fanden die folgende Rezension hilfreich. charming! Von rexclick For all those who loved the 3191 blog. I can't wait for "a year of evenings" to come out this summer!

Kurzbeschreibung A Year of Mornings collects 236 images--always taken before 10 am without discussion between the two women--from this uniquely 21st century artistic collaboration. The intimacy of these photographs--discarded clothing, a view of a snowy day from the window, a tablecloth--combined with their striking similarities in color and composition defies the reality of their long-distance collaboration. While clearly kindred spirits, the two women have met in person only once. Their friendship is maintained solely online, sustained by a shared love for moments of serenity, solitude, and peacefulness. The annotated photographs in A Year of Mornings radiate an aura of sweetness and light--the promise of a new day.
