Von Joint Association of Classical Teachers' Greek Course : An Independent Study Guide to Reading Greek
before purchasing it in order to gage whether or not it would be worth my time, and all praised An Independent Study Guide to Reading Greek:

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich.
berragendes Lehrbuch - orientierungslos in der EditionVon Oliver FuchsSicherlich geht diese Reihe zu den besten Griechisch-Kursen, die es gibt.sehr gute bungen, Erklungen, ausfhrliche Textpassagen.ABER: leider ist das groe Lehrwerk auf drei Bcher aufgeteilt worden - Texte, Erluterungen und Grammatik.Und das ist das Problem: Da man ja in allen drei Bchern lesen muss (simultan), man im Kindle aber nur eins ffnen kann (es sei denn man benutzt mehrere), ist das Durcharbeiten der einzelnen Kapitel leider unmglich. Die Folge ist eine erschwerende Orientierungslosigkeit.

Hier besteht dringend Nachholbedarf - z.B. dass die Kapitel der verschiedenen Bücher bergreifend verlinkt sind, so dass ein schnelles Springen möglich wäre. Inhalt top - Edition flop!

Kurzbeschreibung First published in 1978 and now thoroughly revised, Reading Greek is a best-selling one-year introductory course in ancient Greek for students of any age. It combines the best of modern and traditional language-learning techniques and is used in schools, summer schools and universities across the world. This Independent Study Guide is intended to help students who are learning Greek on their own or with only limited access to a teacher. It contains notes on the texts that appear in the Text and Vocabulary volume, translations of all the texts, answers to the exercises in the Grammar and Exercises volume and cross-references to the relevant fifth-century background in The World of Athens. There are instructions of how to use the course and the Study Guide. The book will also be useful to students in schools, universities and summer schools who have to learn Greek rapidly. **Pressestimmen** 'The quality of this course is now very hard to match indeed.' Journal of Classics Teaching **ber das Produkt** Updated to accompany the second edition of Reading Greek, a best-selling one-year introductory course in ancient Greek, this Study Guide includes notes on and translations of the Greek texts that appear in the Text and Vocabulary volume and answers to the exercises in the Grammar and Exercises volume.
