Kurzbeschreibung
The Miraculous Gift of a Second Chance
Am I dead? But I was in too much pain to be dead, right? I put my left hand right up to my face, but I couldnt see even a hint of it. As I lay on my right side, my right arm and leg were pinned underneath me. A huge slab of concrete pressed against my head. Mustering all my strength, I pushed against it. Nothing. With my left hand, I could feel that an immense steel beam encased the rest of my body. I was sealed in a coffin of concrete and steel. I screamed for help, but my voice went nowhere. I was alone. Completely alone. ' For twenty-seven hours, Genelle remained below the surface of Tower Ones rubble. During this time, she couldnt help but reflect on the life shed lived and how shed drifted from the faith she once knew. One of her most painful regrets was that shed left her daughter behind in Trinidad while she pursued her dream of singing and dancing in America. As death now seemed certain, she feared where it would take her. And then she remembered witnessing the miraculous recovery of her aunt when she was a child in Trinidad. Maybe . . . just maybe, God had a miracle for her as well. For hours she prayed, remembering each detail of her walk away from the faith shed known as a child. She begged God to forgive her accepting that she may soon die, but praying for the miracle of life and a chance to live that life with a new purpose and direction. God answered her prayer by sending an angel to sustain her. Now living in the light, Genelle is making good on the promises she made in the dark while buried in the rubble.

"I interviewed Genelle Guzman just after the world changed on September 11, 2001. I wondered how what she went through would affect her life in the years to come. In this eloquent and poignant book, I ended up reassured and inspired. And not just about Genelle. But about humanity. Even though we know Genelle was "the last survivor," the detail in this book is intricate and tense; as you read each word it makes you angry, sorrowful, and incredulous all over again. But the underlying story of Genelle's strength, fortitude, faith, and kindness is a vivid and important reminder that good is far more powerful than the evil we saw that day. This isn't just Genelle's incredible story. This is a story that does honor to the innocent victims of 9/11 whom we will never forget." (Gary Tuchman, CNN national correspondent)

Angel in the Rubble is a riveting, simply-told story of strength, hope, and miracles by a simple, yet extraordinary, woman. It strengthened my faith in God, humanity, and those American values that make the USA the remarkable country it is. It's a potent shot of hope, whether Jew or Gentile, Muslim or Atheist. (Wendy Fitzwilliam, Miss Trinidad Tobago, author, and Miss Universe 1998)

I simply devoured Angel in the Rubble; I read it from cover to cover and found it impossible to put down! Genelles life is undeniable proof that miracles still happen. Even when all hope seems lost, it is never out of reach. Hope was a choice that not only kept her alive for twenty-seven harrowing hours, but caused her to live her life in the aftermath of tragedy with deep conviction and passion. She shares that hope is available to all of us, regardless of whatever circumstance we may face. It is hard to read Angel in the Rubble without searching your own soul and asking yourself what truly matters. You will never look at your life, your family, or God the same again. This book is sure to impact the world, but more importantly it will touch your heart in a profound way. (Crystal Woodman Miller, survivor of the 1999 Columbine High School shooting and author of Marked for Life)

Inspiring. Gripping. Riveting. Read this book. It will clasp you by the hand and compel you to get right with God and other today. Youll be challenged to believe in miracles . . . in angels . . . in redemption . . . and most of all in God Almighty. (Robert Rogers, author of Into the Deep: one mans story of how tragedy took his family but could not take his faith and founder of Mighty in the Land Ministry)
