BioVon AmyIch kann das Buch jedem empfehlen, der mehr ber Angelina Jolie erfahren möchte, ihre Kindheit ihren beruflichen Werdegang, die Sache mit den Blutphiole, ihren Tattoos und ihrer inzwischen groen eigenen Familie. Hier kommt viel zur Sprache, was man sonst nicht ber sie hrt. Sie ist wohl eine der verkanntesten Schauspielerinnen überhaupt. So versteht man sie gleich mehr. Ich finde sie groartig. In der Buchmitte gibt es einige schne Photos von ihr, die ruhig ein paar mehr htten sein knnen.0 von 0 Kunden fanden die folgende Rezension hilfreich. InspirationVon jIf you are looking for the book that inspires you, this is a great choice. You get to know Angelina not as a heroine of a massive gossip circus but as an amazing personality who can inspire and who uses her beauty and success to help others.

KurzbeschreibungAngelina Jolie was born June 4, 1975 and is an Academy Award-winning actress, a former fashion model, and a Goodwill Ambassador for the UN Refugee Agency. Often cited as one of the world's most beautiful women she is both adored and envied; either way she is constantly in the media spotlight no less for her personal life than her on-screen performances. Winner of three Golden Globes, two Screen Actors Guild Awards and an Oscar for Best Supporting Actress, Angelina has come along way since her first low budget production Cyborg 2 in 1993. She went on to appear in the critically acclaimed biopics George Wallace and Gia and won an Oscar for her performance in the 1999 drama Girl, Interrupted. But Angelina's most famous role to date unquestionably was her portrait of videogame heroine Lara Croft with which she established herself as one of the best known and highest paid actresses in Hollywood. Angelina has been married twice - to actors Jonny Lee Miller and Billy Bob Thornton - and she currently lives with fellow actor Brad Pitt, a relationship that sparked a worldwide media frenzy. Jolie and Pitt have three adopted children, Maddox, Pax and Zahara, and three biological children, Shiloh and twins Vivienne and Knox. With the recent release of The Changeling and the imminent release of Wanted plus two more films confirmed for 2009 Angelina's successful career shows no signs of wavering, although with reports that her relationship with Brad is on the rocks and inconsistencies concerning their intention to adopt more children there is a lot below the cool exterior of this global superstar.KurzbeschreibungAngelina Jolie was born June 4, 1975 and is an Academy Award-winning actress, a former fashion model, and a Goodwill Ambassador for the UN Refugee Agency.
