Von Raymond Valinoti Jr. : Another Nice Mess - The Laurel Hardy Story (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Another Nice Mess - The Laurel Hardy Story (English Edition):

Kurzbeschreibung Arguably the greatest comedy duo in show business history, Stan Laurel and Oliver Hardy delighted filmgoers and theatregoers for over thirty years. The public not only found Laurel's serene simpleton and Hardy's pompous buffoon hilarious, but they also thought of them as friends. Laurel and Hardy may have been nitwits, but they were loveable nitwits. Another Nice Mess: The Laurel and Hardy Story explores the lives and careers of Laurel and Hardy. The book examines how the comedians teamed up and it explains why, nearly half a century after their deaths, their films continue to enchant people all over the world.
