MUST-READ!!! I believe it. Von DVD912 After doing original word studies about this subject years before knowing this book existed, came up with same conclusion. Confirm check for yourself as you go along you'll find how accurate, eloquent in an easy read, this book is. Will also clear-up any questions about the creation vs. evolution controversy. Thankful that this book is available. Can't brag on it enough!!!!!!!0 von 0 Kunden fanden die folgende Rezension hilfreich. An interesting view of the creation story. Von genholly@ptd.net If you are struggling to find some answers to some of the mysteries in Genesis, this book poses some awesome theories that are alluded to throughout the whole Bible. It is mind-boggling and thought-provoking. Enjoy!

Kurzbeschreibung The first in a new doctrinal series based on the writings of the late Finis Jennings Dake, Another Time... Another Place... Another Man provides a biblical alternative to the traditional view of creation. Dake's unique approach removes much of the tension between Christianity and science with an insightful analysis of the Genesis account and relevant passages. The creation story takes on new meaning in this exciting and thought-provoking journey through the Scriptures.
