A testimony to the power of God.Von Ein KundeGeorge Mueller's life's work was to have G-d glorified, by living a life of total dependance on Him. One of Mr. Mueller's chief rules was never to tell people the needs of the orphanages, but only to ask G-d for help. This book is a collection of exerpts, a kind of journal, that describes the wonderful ways in which God did indeed answer Mr. Mueller's prayers by providing for thousands of orphans often on a meal to meal basis for over 40 years! The powerful ways that G-d provided for each need will touch every reader's heart. It will give encouragement to fellow Christians and challenge the skeptical. I have never read a more powerful account of Jesus' faithfulness to His children and would strongly reccomend this book to all people.0 von 0 Kunden fanden die folgende

Rezension hilfreich. Incredible testimony to the power of prayer! Von Ein Kunde I'm about to begin reading George Mueller's Autobiography. Answers to prayer is an amazing testimony to the power of prayer in one man's life, and it shows how every believer can appropriate the promises of God for themselves.

Kurzbeschreibung Mr. Brooks, in this compilation, has endeavored to select those incidents and practical remarks from Mr. Miller's Narratives, that show in an unmistakable way, both to believers and unbelievers, the secret of believing prayer, the manifest hand of a living God, and His unfailing response, in His own time and way, to every petition which is according to His will. He became an evangelist and the director of the Ashley Down Orphanage in Bristol, England, where he cared for more than 10,000 orphans during his life. He provided shelter, clothing, food, and an education for each of his orphans. He also established 117 schools, which offered Christian education to over 120,000 children. A great man of faith, he never appealed for funds, but simply asked God to supply the needs, which the Lord faithfully did. ""
