 Herzerreißend und herzerwärmend  
 Von Helpful Advice  
 Anything For Amelia von Andrew C Branham schriftliche  
 brachte sowohl herzerreißend und herzerwärmende Geschichte der Grundlage der tatsächlichen Geschichte -  
 Beschreibung einer echten Qual und die Herausforderungen beiden Männer durchgemacht, bevor sie in der Lage, ein  
 Kind zu adoptieren waren. Der Autor wurde inspiriert, sein Debt-Buch Anything For Amelia, nachdem sie durch das,  
 was viele Experten als "die schwierigste Annahme der US-Geschichte" zu schreiben. Während ihrer 206 Tage langen  
 Odyssee wurden Andrew und sein Partner, um die andere Seite der US-Erlass-System eingeführt und basiert auf Blatt  
 Andrew hielt für ganze schmerzhaft Erfahrung, wurde dieses Buch erstellt. Und obwohl Andrew sowohl als Autor als  
 auch privat kann als großer Befürworter der LGBT-Gemeinschaft in Betracht gezogen werden, so ist er auch zu  
 befürworten der Menschenrechte im Allgemeinen. Dieses Buch ist also nicht etwas, das nur Homosexuell konnte  
 verstehen oder lesen sollte - ganz im Gegenteil, denn Anything For Amelia diskutiert unfairen Kampf für die wir nicht  
 einmal wissen, sind um uns herum gekämpft, Bisher wie diese können die Öffentlichkeit zu sensibilisieren und schließlich  
 wird führen zur Veränderung des schlechten Gesetzgebung, so dass unsere Kinder eine glücklichere Kindheit. Obwohl  
 basierend auf realen Leben, ist dieses Buch von der Seite eins wie eine Achterbahnfahrt, werden Sie von dem Moment  
 an können Sie es in die Hand nehmen zu ziehen. Es ist nicht immer einfach, es zu lesen, wegen der schmerzlichen  
 Ereignisse auf seinen Seiten dargestellt und schon kann man sich vorstellen, wie die Hauptakteure geschafft, durch sie  
 gehen. Aber aus all diesen Gründen, Anything For Amelia verdient eine weitere Empfehlung, um diese schreckliche Fall  
 zu sein, wenn nicht der letzte, dann zumindest eine der letzten, schmerzhaften ähnlichen Geschichten. Ich bekam ein  
 Exemplar dieses Buches vom Autor zum Zweck der unvoreingenommene Überprüfung gegeben, während alle  
 dargestellten Informationen beruhen auf meinen Eindrücken basiert. ORIGINAL REVIEW IN ENGLISH  
 Anything For Amelia written by Andrew C Branham brought both heartbreaking and heartwarming story based on actual story  
 description of a real agony and the challenges two men went through before they were able to adopt a child. The author  
 was inspired to write his debut book Anything for Amelia after going through what many experts called 'the most  
 difficult adoption in U.S. history'. During their 206 days long odyssey, Andrew and his partner were introduced to the  
 other side of U.S. adoption system and based on journal Andrew kept for whole painful experience, this book was  
 created. And though Andrew both as author and privately can be considered as a large supporter of LGBT community,  
 he is also advocate for human rights in general. Therefore this book is not something that only gays could understand  
 or should read quite the opposite, because Anything For Amelia discusses unfair battles for which we do not even  
 know are fought around us, books like this can raise public awareness and eventually will lead to change of bad  
 legislation, allowing our children a happier childhood. Although based on real life, this book is from the page one like a  
 roller-coaster, it will draw you from the very moment you take it in your hands. It's not always easy to read it, because  
 of painful events portrayed on its pages and certainly one can only imagine how the main protagonists managed to go  
 through it. But, for all those reasons, Anything for Amelia deserves further recommendation, in order this shameful  
 case to be, if not the last, then at least one of the last, painful similar stories. I was given a copy of this book by the  
 author for the purpose of unbiased review, while all the presented information is based on my impressions.

Kurzbeschreibung  
 A true story of the challenges endured by two gay men who had the desire to adopt a child. When  
 Andrew and DJ decided to adopt and bring a child into their lives, little did they know what they were about to endure;  
 yet never did the thought cross their minds to give up. The horrific, pitilessly, and beyond comprehensible hoops one  
 woman would make them jump through demonstrates beyond a shadow of a doubt that little Amelia was going to be  
 much better off in the loving home that Drew and DJ could provide her. Just when you think, how can two people  
 survive such a nightmare and the journey is just about over when little Amelia is born and will be safely in the arms of  
 her loving dads, Sandi decides to pull one more shenanigan that could change their lives forever. More than 10 million  
 adults have been adopted or fostered in their childhood. Along with spiraling increases in adoptions comes a growing  
 need to disclose the significant flaws in adoption laws that open the doors to fraud, manipulation, and abuse of the  
 system. AMELIA is the first book to explore this dark side of the adoption process through the true story of one  
 couples journey through hell. Called the most difficult adoption in U.S. history by adoption experts, the book appeals  
 to nearly all families (traditional and non-traditional) interested in adoption, foster parenting, or surrogacy. An amazing  
 book filled with tips, advice, and eye-opening first-hand accounts, this is one feel-good story that serves an important  
 purpose and fills a critical gap in adoption literature. D. J. Herda
