Von Alex De Campi : Archie vs Predator (Archie Vs. Predator) before purchasing it in order to gage whether or not it would be worth my time, and all praised Archie vs Predator (Archie Vs. Predator):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Ziemlicher Spa fr Fans des ewigen TeenagersVon Jo84Auch wenn "Archie" in Deutschland nicht besonders bekannt ist (seine letzte Publikation hier liegt wohl schon ber drei Jahrzehnte zurck), so ist er in amerika doch immer present geblieben. Und in letzter Zeit ist er wieder besonders beliebt, weil sich das ber fnf Jahrzehnte ziemlich stabile Archie-

Universum mittlerweile auch für andere Zeichenstile und Themen (Afterlife with Archie, Chilling adventures of Sabrina) öffnet. Bereits 1994 erschien "Archie meets the Punisher", die Mutter aller schrägen Crossover. Und mit dem ca 130 Seiten starken HC-Band "Archie versus Predator" wird noch eine Schippe draufgelegt. Mittlerweile ist es in dem ursprünglich Heile-Welt-Universum um Archie und seine Gang durchaus auch möglich zu sterben; und deshalb wird dies hier auch reihenweise getan. Der besondere Kick dabei ist, dass der Comic diesmal absichtlich im gewohnten Funny-Stil belassen wurde, was die Absurdität des Viertelers noch steigert. Fast 40 Bonusseiten versen dabei dem Leser des abwaschbaren HC den Sehgenuss. Davon sind alleine 18 Seiten den vielseitig gezeichneten Variants namhafter Zeichner wie Eric Powell, Francesco Francavilla, Darick Robertson, Kelley Jones, Paul Pope oder Tim Seeley gewidmet. Der Rest besteht aus Skizzen, Bonuscomics und Statements/Vorwörtern. Insgesamt ein augenzwinkernder Spass zwischen Teeniecomic und derbem Trash.

Kurzbeschreibung America's favorite teen meets the galaxy's fiercest hunter! When Archie and friends hit Costa Rica for Spring Break, party games and beach games are soon replaced by the Most Dangerous Game! Lured by the challenge of Betty and Veronica's unparalleled fierceness, a teenaged Predator from the stars follows the gang back to Riverdale, where it prepares for its most bizarre hunt ever, but will the kids even realize they're in danger before they end up in the creature's horrifying trophy case?! Collecting issues #1-#4 of the smash-hit Archie vs. Predator!

Pressestimmen "Even in a time when the company's most critically successful book is a moody supernatural horror story where the entire cast is about two seconds away from being murdered by zombies, Archie Vs Predator still seems like a beautiful, beautiful dream." -Comics Alliance "Archie Vs. Predator" #1 is a gift from God himself." -Comic Book Resources "Archie Vs. Predator Is the Most Messed Up Comic You'll Ever Read" -MTV "It'll be interesting to see just how far de Campi's script dials up the violence, how long the characters remain ignorant to the fact that the Predator is among them and how well these elements continue to be integrated in "Archie-style" by Ruiz but so far, so good. -Adventures In Poor Taste "So whether Archie and Jughead end up smeared in mud battling their alien assailant to the death, or with their skulls and spinal columns hanging on a trophy room wall somewhere, you can most definitely count me in for the rest of this story which is a sentence I honestly never thought I'd write in a comic review. -Big Comic Page "Should you buy this issue and series? Absolutely. Tell your friends, buy one for a random stranger. Give a copy to your kids and prepare for the questions. This issue was everything it should have been and everything I wanted. -Comic Bastards "Archie Vs. Predator #1 takes a huge risk and it pays off incredibly well, resulting in a satisfying teen comedy horror story. Fans and rubberneekers alike will find something to enjoy in these pages. Here's hoping that this only leads to more weird collaborations between these two publishers. -Comic Book Resources "The end result is going to be something unsettling, and unlike anything currently being published, but we only get a glimpse at what that will be here. Now that the pieces are in place, there's no reason to think that the rest of the series isn't going to be absolutely insane, and that's a good thing. -Comicosity "In an ARCHIE comic, this could easily have been tacky; instead, it's pretty awesome. -ComicWow! "This one could be a classic. -Den of Geek
