Von Marc Brown : Arthur's Valentine (Arthur Adventure Series) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Arthur's Valentine (Arthur Adventure Series) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Teasing

should be ignored. Von Ein Kunde When people tease you about things, it is best to ignore them and keep focused on your goal. I enjoyed this book very much.

Kurzbeschreibung Someone is leaving Arthur notes, and he doesn't know who. They are all signed by a secret admirer. Is Buster playing a joke? Or is Francine teasing him? It's up to Arthur to track down his valentine and maybe even leave a surprise of his own... Join Arthur and friends on an adventure in this newly designed Kindle edition. Werbetext Another classic tale from the pen of Marc Brown Kurzbeschreibung Someone is leaving Arthur notes, and he doesn't know who. They are all signed by a secret admirer. Is Buster playing a joke? Or is Francine teasing him? It's up to Arthur to track down his valentine and maybe even leave a surprise of his own... Join Arthur and friends on an adventure in this newly designed Kindle edition.
