LIES ES Von Sarah A Ein wirklich super Buch, es ist eines von denen die man im Leben gelesen haben sollte. Es motiviert und inspiriert auch, wenn es eigentlich fr MNNER geschrieben ist habe ich es als Frau gelesen und ab gesehen von ein paar wenigen Stellen, lsst es sich prima auch auf Frauen beziehen.0 von 0 Kunden fanden die folgende Rezension

hilfreich. Klassiker Von AM Was soll man groß schreiben über dieses Buch. Ein zeitloser Klassiker den jeder gelesen haben sollte. Das alte Englisch ist dem ursprünglichen Erscheinungsdatum geschuldet aber im Normalfall kein Problem. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great! Von Chris Incredibly forward thinking for his time. The book is short and to the point. For a quick and inspiring read I would definitely recommend this book.

Kurzbeschreibung "They themselves are makers of themselves" The author offers his clear answers in this book As A Man Thinketh. His words have helped millions for more than a century--and they continue to point the true way to a better life for a troubled humanity. Too many mortals strive to improve only their worldly position--and too few seek spiritual betterment. Such is the problem James Allen faced in his own time. The ideas he found in his inner-most heart after great searching guided him as they will guide you. What profit a man to gain the world if he loses his soul it the underlying issue addressed in As a Man Thinketh, and the author guides the reader to a life of Wealth, Health and Happiness while keeping his soul pure. Synopsis This little volume (the result of meditation and experience) is not intended as an exhaustive treatise on the much-written-upon subject of the power of thought. It is suggestive rather than explanatory, its object being to stimulate men and women to the discovery and perception of the truth that- "They themselves are makers of themselves" by virtue of the thoughts which they choose and encourage; that mind is the master-weaver, both of the inner garment of character and the outer garment of circumstance, and that, as they may have hitherto woven in ignorance and pain they may now weave in enlightenment and happiness. James Allen.
