Von Walter Wangerin Jr. : As For Me and My House: Crafting Your Marriage to Last before purchasing it in order to gage whether or not it would be worth my time, and all praised As For Me and My House: Crafting Your Marriage to Last:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Walt Wangerin teaches valuable marriage principles.Von Ein KundeWalt Wangerin's gift for story telling is demonstrated

undeniably in this marvelous book on the challenges of making marriage work. His powerfully transparent autobiographical sections moved me and drew me in, setting me up for his teachable moments, which are compelling and instructive. I wept with Wangerin as he told of the grace and forgiveness afforded him by his wife, knowing full well the liberating joy of being similarly forgiven by my wife of 26 years. This text is required reading at our church for couples preparing to marry. But it may be even more meaningful reading for those of us who have a decade or two of marital experience under our belts! Read and enjoy Walt Wangerin at his best! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Moving, Compelling, Revealing, Enriching Von Ein Kunde I am a professional, full time marriage family therapist, and part time pastor. I have spent a good deal of time searching for literature to suggest to my clients and members. This is it! The book is moving, compelling, revealing, and enriching all at the same time. Walter's openness and honesty in his own self revelations demonstrate for us the work of the grace of God in a Christian marriage.

Kurzbeschreibung Most books on marriage offer ten easy steps and twenty-five proven principles for achieving marital bliss. But Walter Wangerin side-steps such easy answers and offers us instead an intimate portrait of his own courtship and thirty-two year marriage-and a pastoral view of married life that inspires readers to view their own marriages with new honesty and hope. Wangerin's six tasks of marriage encourages couples to better understand and happily live out the vows they made, giving them tools to nurture and maintain a strong marital relationship. In his endorsement, Philip Yancey accurately describes this book as "an enduring classic and a book of wisdom, beauty, compassion, and piercing honesty." Kurzbeschreibung Most books on marriage offer ten easy steps and twenty-five proven principles for achieving marital bliss. But Walter Wangerin side-steps such easy answers and offers us instead an intimate portrait of his own courtship and thirty-two year marriage-and a pastoral view of married life that inspires readers to view their own marriages with new honesty and hope. Wangerin's six tasks of marriage encourages couples to better understand and happily live out the vows they made, giving them tools to nurture and maintain a strong marital relationship. In his endorsement, Philip Yancey accurately describes this book as "an enduring classic and a book of wisdom, beauty, compassion, and piercing honesty." Synopsis Resists easy-answer jargon to present a pastoral view of married life as seen through an intimate portrait of the author's own courtship and thirty-two-year marriage, outlining six tasks that married couples can use as a tool to maintain a strong marital relationship. Original.
