Von Midge Cole I read this book while enduring a very difficult trial, and I can't begin to express how much this book changed my perspective. It reminded me of how great God truly is, of how much He loves me, and how His grace is sufficient for my life, especially during difficulties. I was

reminded that everything that comes into my life first passes through the Lord's "finger's of love". If you are feeling disappointed, discouraged or depressed, read this book and it will refresh your joy and give you the courage to endure whatever comes into your life. Thank you, Kay Arthur, for proclaiming the truth of God!

Von Ein Kunde Kay, This book was very exciting to me. It was a teaching as well as encouraging. At the time I purchased this book, it was for a friend to help her with her runaway teen. As I began to read it, It blessed me as well. Especially, where you are talking about how God is refining us. I Just love God so much, and want to be the best I can be for him. I would very much like to get in contact with you somehow. If you have your own e-mail address or regular address. I am a Pastors wife and I would like to talk to you regarding books that can help the young Pastors wife. I have been looking for awhile for this. If you can help please e-mail me. I'm looking forward reading your other books as well. Please let me know. Love Prayers Teresa
