Informative and useful, maybe not the best book on the LOA Von Francisca This is quite a simple book on the Law of Attraction and one that will work well for those who are starting to get acquainted with it and maybe don't want a very elaborate reading. The book is quite concise and to the point guiding you through several seven days scripts on how to attract better relationships, money, health, your dream job and a successful business. There are also a couple of chapters on general information about the Law of Attraction. If what you want is simplicity and quick exercises this is the book for you but if you want more in-depth information you can then go on to read other books or maybe you have already read other books, like I did and just want some additional information and exercises? I haven't worked through the whole book yet as I take a topic at a time and then follow the seven day scripts but I am about to finish it. All in all worth reading although again maybe not the best I have read on the subject.

Kurzbeschreibung 7 DAYS TO INCREASED WEALTH, BETTER RELATIONSHIPS, AND A LIFE YOU LOVE. In this book, you'll learn exactly how to attract everything you've ever wanted in life. You'll receive easy-to-follow instruction on how to improve all the important areas of your life including: - Money - Relationships - Health - Career - Business Will it be hard work? Up until now, it may have been. But not any longer. Within this book you will discover the secret to having it all. Then you'll learn how easy it really is and wonder why you didn't improve your life long ago. The Law of Attraction isn't just theory. It's backed by modern science as well as every major religion in the world, including Christianity, Judaism, and Islam. Now you can use the unlimited power of the Law of Attraction to make a difference in your life. Take everything one day at a time...literally. This book has been organized into five, 7-day plans, with each plan concentrating on a specific life concern. Simply read one passage per day and incorporate the teachings into your life. Then just sit back and allow your dreams to happen. That's it!
