Von Kurt Busiek : Astro City: Victory (Kurt Busiek's Astro City) before purchasing it in order to gage whether or not it would be worth my time, and all praised Astro City: Victory (Kurt Busiek's Astro City):

KundenrezensionenHilfreichste Kundenrezensionen1 von 2 Kunden fanden die folgende Rezension hilfreich. The weakest Astro City to dateVon William Pilgrimwhich still makes it a solid three stars.The story about winged victory just does not hit the right buttons. As an Astro City regular, we know about her controversial status among the cities heroes, but she has been a hero for almost 20 years, so the old "villain frames hero- hero sets out to clear his name-city

turns against its own savior" seems forced and by Busiek's standards weak. SPOILER ALERT the explanation of Winged Victory's powers is utterly shameful, it would have better been kept in the dark. The world's top women (is Hillary among them? Beyoncé?) share some sort of psychic connection and in true guardians of Oa style have a council meeting of minds turning a teenager into a Greek-style warrior goddess with angel wings. I mean seriously? Can it get more sappy with the "women are awesome" stuff? So who is in that council? Just any women who achieved something? How about bad women with power? Powerful but stupid women? It makes no sense. Why not go the old-fashioned way, some ancient artifact, vague female-Gaia-spirit of the planet? I like the vagueness in origins most heroes have in AC, this is part of what makes it enjoyable, to fill the gaps with imagination. I liked seeing the Confessor back, sadly he is a bit underused, the Choirboys were a good addition, Winged Victory's new colleagues as well. The art is a bit inconsistent, there are a lot of panels where the faces look totally different than just one panel before, other than that Anderson's work is solid. But well, it does not save the overall weak story line and the visitor's guide at the end is 80% copy-paste of the old Herocopia Website and the Astro City Rocket homepage.

Kurzbeschreibung A major new epic begins featuring Winged Victory, Samaritan, and the Confessor, three of Astro City's most popular heroes. When criminal charges are brought against Winged Victory, the Confessor must investigate and it leads to open combat with Samaritan! Can Astro City's three greatest heroes find a way to work together against this mystery threat? Plus, Winged Victory's origin is revealed at last! Collects ASTRO CITY #7-10 and ASTRO CITY VISITOR'S GUIDE #1. **Pressestimmen** "It's impossible not to smile." IGN "Astro City reminds readers just how much fun Busiek and Anderson's series can be. It was absolutely worth the wait." CBR "I don't often realize how much I miss "Astro City" when it's gone until it comes back and sweeps me up again." MTV **GEEK** **Kurzbeschreibung** A major new epic begins featuring Winged Victory, Samaritan, and the Confessor, three of Astro City's most popular heroes.
