[...] But such splendid isolation is the privilege of the giants of a discipline, and giants in the world of scholarship is definitely what the authors of this volume are. This is a landmark study, a unique reference point of dialectological scholarship for decades to come and an inspiration for generations of linguistics."Edgar W. Schneider in: English World-Wide 1/2008 "The ANAE is a massive collection of dialect data and an unprecedented accomplishment in North American English dialectology."Joshua Wilbur in: English Language and Linguistics 1/2007 "ANAE is a landmark study that will shape research trends for years to come."Matthew J.
