Von Wayne Cordeiro : Attitudes That Attract Success before purchasing it in order to gage whether or not it would be worth my time, and all praised Attitudes That Attract Success:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. an easy - but insightful -readVon KohWayne Cordeiro presented attitudes in a very easy fashion - how we need to, and why we need to change. It does not provide many extensive "10 steps to a healthy attitude", but it does provide many little reminders on how we can change ourselves (attitudewise). this, in my opinion, is more practical than long list of what-

to-dos.this is my second read through the book - and its definitely highly recommendable!
