Von William Perkins : Awaken the Leader Within: How the Wisdom of Jesus Can Unleash Your Potential
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Awaken the Leader Within: How the Wisdom of Jesus Can Unleash Your Potential:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich.

Practical, insightful and timeless leadership principles! Von Lane Kagey As the general manager of a high technology company with global operations, I found Bill's insights to be very thought provoking. Bill clearly communicates with helpful and humorous illustrations essential elements of practical leadership for today. For example, Bill acknowledges we are in a world of breakneck change and shows that leaders must be change masters to help their teams thrive. This is a book any leader would find helpful whether you're in a corporate, non-profit, community, sacred or secular leadership position. I will definitely be recommending this book to my friends and colleagues.

Kurzbeschreibung Vision and motivation to become the leader God intends you to be-- whether you're leading your family, church, coworkers, or a Fortune 500 company. You're a leader! In fact, every time you try to get someone to do something you want done, you're exercising leadership. This eBook will help you discover from Jesus how to lead more effectively as you understand the character traits and practical skills of a true leader. A discussion guide in the back of the book will help you integrate the principles into your life as you allow Jesus to help you learn how to cultivate and cast a vision, make wise decisions, build a team, harness opposing forces, facilitate innovation, and put others first.
