**Von Ariel Schrag : Awkward and Definition: The High School Comic Chronicles of Ariel Schrag (High School Chronicles of Ariel Schrag) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Awkward and Definition: The High School Comic Chronicles of Ariel Schrag (High School Chronicles of Ariel Schrag) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Einfach nur geilVon Anne RedmannWas soll ich sagen? Ich liebe dieses Buch, ich hab es gefressen und fand die Story einfach

nur Klasse. Das ist eins der ersten Bücher mit denen ich mich wirklich identifizieren konnte, nicht zu vergleichen mit dem was wir in der Schule lesen. Nachdem ich fertig war musste ich sofort den nächsten Teil lesen. Also dieses Buch war seine Investition wirklich wert. Ich kann es echt nur weiter empfehlen.

Kurzbeschreibung Ariel Schrag captures the American high school experience in all its awkward, questioning glory in *Awkward and Definition*, the first of three amazingly honest autobiographical graphic novels about her teenage years. During the summer following each year at Berkeley High School in California, Ariel wrote a comic book about her experiences, which she would then photocopy and sell around school. Some friends thrilled to see themselves in the comic, others not so much, but everyone was interested. *Awkward* chronicles Ariel's freshman year, and *Definition*, her sophomore year. With anxiety in excess and frustration to the fullest, Ariel dives in -- meeting new people, going to concerts, crushing out, loving chemistry, drawing comics, and obsessing over everything from glitter-laden girls to ionic charges and the constant pursuit of the number-one score. Totally true and achingly honest, with every cringe-inducing encounter and exhilarating first moment documented -- *Awkward and Definition* is an unflinching look at what it's like being a teenage girl in America. *Pressestimmen* "An imaginative anthropologist of the post-punk set." -- *The Village Voice* "Impossible to put down." -- Maggie Overfelt, *The Minnesota Daily* "Schrag's perceptiveness and incredible eye for detail make *Definition* brilliant. Rarely have I seen such substantial work come from a person of her age." -- Jennifer Joseph, *The San Francisco Bay Guardian* "A scathing and meticulously documented autobiographical triumph." -- Alison Bechdel, author of *Fun House* Kurzbeschreibung Ariel Schrag captures the American high school experience in all its awkward, questioning glory in *Awkward and Definition*, the first of three amazingly honest autobiographical graphic novels about her teenage years.
