Gute SportlerbiographieVon RorschachEs gibt nicht viele Sportler, die interessant genug sind, dass man eine Biografie ber sie schreiben msste. Babe Ruth, den noch heute - bald 100 Jahre nach seiner aktiven Zeit - jedes Kind in Amerika und jeder Baseballinteressierte weltweit kennt. Und dieses Buch zeigt warum: er war ein groer, leidenschaftlicher (!!)

Sportler, und eine spannende Persönlichkeit mit Ecken und Kanten. Gerade heute, wo es im Sport oft nur noch um das große Geschäft geht, findet man kaum noch Leute, über die man auch noch nach ihrer aktiven Laufzeit reden wird. Babe Ruth dagegen hat die Baseballwelt verändert und bleibt deshalb zurecht in Erinnerung. Zudem ist die Biografie gut und unterhaltsam geschrieben. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Best biography ever written on Baseball's best player ever! Von Ein Kunde Robert W. Creamer has captured the true essence of the player known as George Herman Ruth. Through quotes from players past you can actually sense the personality of Babe Ruth. The author makes you feel as if you are at home, in the locker room, on the field, or sharing the exploits of the Babe. America's greatest hero is brought to life within its pages, so much so, when the likes of a McGwire or Sosa hit a homerun today, you picture the Babe. Someday I hope to acquire the autograph of Mr. Creamer to make my edition complete. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Amazing and entertaining! Von Michael J Woznicki The greatest name in baseball has to be George Herman "Babe" Ruth. Babe Ruth is the standard by which all other power hitters in baseball, even today, are measured. The recording of Babe will explain how this came to be. Follow along on a fantastic journey, from Ruth's early days in the orphanage to his start in Baltimore. Relive the early years as a dominant pitcher for the Boston Red Sox to his trade to New York. You'll hear stories about his wild party and nightlife in New York, his two marriages, and his relationship with other players. You get to know the man and come to understand what drove him every day. Listen and you'll hear the story about the called shot, his continuing love of children, his creation of the Babe Ruth Foundation, his wanting to manage and so many other things he did. This is the Babe Ruth of books about baseball and Babe Ruth!
