Von Harry Keeble : **Baby X: Britains Child Abusers Brought to Justice (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Baby X: Britains Child Abusers Brought to Justice (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great real life bookVon kitten0bI thought this was a real interesting read of abuse from a different perspective. It covered different cases and examples which kept it varied and interesting with touches of well known cases. It was heart

wrenching at times and gave an even deeper respect for those who work within the sector.

**Kurzbeschreibung** When super-tough cop Sergeant Harry Keeble announced he was joining Hackney's ailing Child Protection Team in 2000, his colleagues were astounded. Known as the 'Cardigan Squad', its officers were seen as glorified social workers dealing with domestics. The reality was very different. Within a few months he'd fought machete-wielding thugs, rescued kids who had pit bulls chained to their cots and confronted the horrors of African witchcraft, exposing a network of abuse in the process - all in his unrelenting war against child cruelty. Harry rescued dozens of kids - kids in crack houses, kids living in unimaginable filth and kids who had burned their houses down. Then there were the hostage situations, the lynch mobs, and the almost impossible process of interviewing paedophiles to get a confession. Without wading in sentimentality, Harry describes how his team - working alongside dedicated but chronically underfunded social workers - operated at the sharp end of child protection. This is a shocking and unforgettable story of how some of the UK's most disadvantaged children escaped their tormentors - and explains why some cases, similar to that of Baby P's, ended in tragedy.

**Pressestimmen** Powerful and moving. I didn't think I could be shocked any more until I read Baby X' Cathy Glass 'The subject matter is obviously heavy...But the pace crackles from case to case -- with Harry's fight to save neglected and abused kids taking him around the world' Five stars, News of the World 10/1
