bisher der Beste. Bestechend logisch durchdacht. berraschende Aufklrung und natrlich fast packed action!0 von 0 Kunden fanden die folgende Rezension hilfreich. WowVon FrankA page turner! Having enjoyed the plots of the gray man 3 books long this one still pushed forward the thrill. No spoiler so. Just read and enjoy and: fasten your seatbelt0 von 0 Kunden fanden die folgende Rezension hilfreich. Yeah, that was all rightVon KundeI have been waiting for this book for some time. A techno thriller with a badass hero. That was the easy bit to write but the author carries on with background to make this superman seem normal and vulnerable at the same time. The scene with his father was a masterpiece. Maybe the best mechanism of writing was they way most of the characters has a grey side i.e not all black and white. Well written!

KurzbeschreibungCourt Gentry was the CIA's best agent - until the day the Agency turned against him and put out a kill-on-sight order. That's when the enigmatic international assassin called the Gray Man was born, and Court has been working for himself ever since.Court is determined to find out what happened all those years ago to make the Agency turn against him. On his list to interrogate are his former partners and the men who sent him on his last mission. What he doesn't realize is that the questions that arose from that mission are still reverberating in the US intelligence community, and he's stumbled onto a secret that powerful people want kept under wraps. And now they have him in their crosshairs.Court is used to having people on his trail, but this time, it's on US soil - the last place he wants to be. He'll have to find the answers to his fate while evading capture . . . and avoiding death.PressestimmenI LOVE THE GRAY MAN.#1 New York Times bestselling author Lee ChildBOURNE FOR THE NEW MILLENNIUM.New York Timesbestselling authorJames RollinsPraise for Back BlastMark Greaney reigns as one of the recognized masters of action and adventure.
