KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Achtung kein Reiseroman! Von Jan E. Achtung kein Reiseroman! Dieser Reisebericht ist kein Reiseroman, sondern eine Parodie über Backpacker. Wer dies berücksichtigt und nicht mit falschen Erwartungen an das Buch herangeht, wird beim Lesen durchaus Spaß haben. Allerdings ist das Buch recht kurz, es sind eher drei Kurzgeschichten.

KurzbeschreibungThe first three installments of Chad Thomson's travel adventures, now in one box set!  
**India**When young American Chad Thomson sets out to backpack around the world, little does he know how much of an impact the world will have on him. In this first installment of his travel memoirs, Chad begins his round-the-world travel adventure in typical American style. Come with Chad as he follows exactly what the Bible tells him (not the Holy Bible, the travelers Bible: Lonely Planet) and immerses himself in the local culture of India, meeting people from Australia, the USA and even one or two Indians!  
**Join Chad** as he travels from Delhi to Agra to see the (barely visible) Taj Mahal, then on to Mumbai where he manages to insult a survivor of the terror attacks, onward to the beaches of Goa and a three week drinking marathon with his new (unrequited) best friend from Australia and finally to Jaisalmer in Rajasthan where he takes an unforgettable two day camel safari with a twelve year old guide who Chad thinks might have been called Dave. He has misadventures along the way in fast food restaurants, Gandhi's house, the Thar Desert and dirty bathrooms. Come and see India from an American's perspective with Chad Thomson, typical American backpacker!  
**Nepal**After his adventures in India, Chad Thomson travels to Nepal on the next leg of his round the world backpacking trip. Unfortunately he loses his guidebook along the way, so he must travel Nepal on his own, without guidance or help. Will he manage to get around? Will he be ripped off? Can he find the cool-but-reasonably-priced backpackers bars in Kathmandu without his trusty Lonely Planet to help him? And what about the Everest Base Camp trek?  
**China and Hong Kong**In this, the latest installment from Chad Thomson's travel journal, we find our hero hanging out with the Masters Of The Universe in Hong Kong, being caught in a compromising situation by a maid, having his plans for Shanghai Shanghai-ed by dead pigs, getting into scrapes in Internet cafes, standing as a tall and proud American in the face of third-world corruption and finally finding a friend in Beijing who invites him to join her on an exciting adventure.  
**About Chad:** Chad Thomson is just a typical American leaving the comforts of his home country to travel the world. He was inspired to write about his adventures after reading the many, many travel blogs online. He writes travel stories and articles at [www.backpackingwithchad.com](http://www.backpackingwithchad.com) This is his story.\* \*not the whole story, just the parts that take place in India, Nepal, China and Hong Kong. Stay tuned for further installments of Backpacking With Chad!
