Von Ein Kunde Don't let the fact that this book is not brand new or not expensive put you off! The characters are great and the price is a bargain! This is a book for techno-types who like the sea and boats. The main character is NOT a superhero and not a real loser either. Gee.. a real person. Good techno fiction.. action, diving, technology.. good stuff. -- Frank Derfle0 von 0 Kunden fanden die folgende Rezension hilfreich. Non-Stop Adventure, Scuba Diving, and Beautiful Bahamas! Kurzbeschreibung "There can be no better writer of modern sea adventure around today." Clive Cussler Poyer has an accurate ear for dialogue and he fleshes out his characters . . . plenty of built-in tension. New York Times Book . . . Poyer establishes himself firmly in the company of our best writers of seafaring adventure. Robert Houston, author of Blood Tango and The Fourth Codex Poyer produces an action-packed, fast-paced novel, building suspense expertly, with plenty of twists and turns. Publishers Weekly USA Today -bestselling author David Poyer writes gripping undersea thrillers in the tradition of Clive Cussler and John D. MacDonald. Salvage diver and ex-con Tiller Galloway vowed he'd never work for "The Baptist" again. Until the menacing kingpin makes him an offer he can't refuse, sending him deep into the beautiful blue Caribbean to raise fifty tons of sunken cargo-- a dive to the razor's edge of death. Caught in the cross fire of a crazed underboss, hostile islanders, and a corrupt Bahamian government, Tiller and his Hatteras Island sidekick Shad Aydlett take on a nightmare of double crosses, as a scenario more sinister than he ever imagined begins to unfold. From the author of Down to a Sunless Sea comes this shattering sequel to Hatteras Blue, a tale as explosive as those of Hammond Innes and Peter Benchley, and packed with some of the most breathless and vivid undersea scenes ever written. About the Author Millions of copies of David Poyer's thirty-plus bestsellers are in print and ebook, including THE MED, THE GULF, THE CIRCLE, THE PASSAGE, TOMAHAWK, CHINA SEA, BLACK STORM, THE COMMAND, THE THREAT, KOREA STRAIT, THE WEAPON, THE CRISIS, and THE TOWERS, bestselling novels of the modern Navy and Marine Corps; historical fiction set during the Civil War; the Hemlock County thrillers, THE DEAD OF WINTER, WINTER IN THE HEART, AS THE WOLF LOVES WINTER, and THUNDER ON THE MOUNTAIN; and the other Tiller Galloway diving adventures, HATTERAS BLUE, LOUISIANA BLUE, and DOWN TO A SUNLESS SEA. Poyer's work has been translated into Japanese, Dutch, and Italian, and rights and options have been sold for films.
