Interessant Von Helmut Wie es bei Comics nicht anders zu erwarten ist, ist das Buch sehr vereinfachend bzgl. der Ablufe. Dennoch bemht man sich, auch Pannen beim Wahlkampf darzustellen. Ich kenne viele Comics, die die

indische Mythologie darstellen. Sie bringen Dinge gezwungenermaßen einfach auf den Punkt. So ist es auch bei diesem Comic. Das Ganze ist ein interessanter Versuch historische Zusammenhänge einfach und anschaulich darzustellen.

Kurzbeschreibung Change has come to comics! Introducing the life-story of Barack Obama in comic book form, following him from infancy through the first 100 days of his administration as the 44th President of the United States of America. Featuring the smash hit, best-selling comic book Biography of Barack Obama that became a media sensation, this volume also collects the follow up series that detailed the historic Obama campaign from the Democratic National Convention through his election to President on November 4th, 2008, and then until the inauguration. The story continues with the most relevant details of his first 100 Days in office, documenting the facts without bias. Kurzbeschreibung Change has come to comics!
