Von Graham Hunter : Barca: The Making of the Greatest Team In the World (Enhanced Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Barca: The Making of the Greatest Team In the World (Enhanced Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Super

Buch :) Von Robert Ich habe dieses Buch gekauft um mein Englisch zu testen und noch was dazu zu lernen. Dieses Buch ist wirklich mein Lieblingsbuch, alles über FC Barcelona steht drinnen vom Anfang an bis zur heutigen Zeit, einfach ein super Buch :)

Kurzbeschreibung BARCELONA are the greatest football team in the world, the greatest for a generation and possibly the greatest of all time. This is the untold inside story of how the best and most loved football team in the world came to redefine how the game is played. We start with the 2011 Champions League final at Wembley, the game that ended the debate about whether Barcelona were the greatest team in the world and began a new one: are they the best ever? We are inside the winning dressing room and inside the mind of the team's coach, Pep Guardiola. From there, the focus is on each of the iconic personalities of this team, telling its story through them, from their genesis in the late 1980s to their coronation in London: Guardiola; his mentor, Johan Cruyff; Xavi; Andres Iniesta and Lionel Messi, perhaps the greatest footballer of all time. This enhanced edition contains 17 videos, hosted by the book's author Graham Hunter.

Pressestimmen "Graham Hunter's book reminds us all just how beautiful the beautiful game can be. His admiration for Barca is genuine, his knowledge is vast, and he is an expert at bringing readers close into the story, making us cheer for not only Pep and Messi, but for every player who has turned out for the greatest team in the world." Rodge Glass, author, "Bring Me The Head of Ryan Giggs" "An enjoyable, flowing read that succeeds in providing great detail and insight . . . Hunter impresses a supreme command of the inner workings of the FC Barcelona machine." "Total Football Magazine" "Hunter examines Barca's rise from every angle and manages, ultimately, to strike a delicate balance between wise football writing and perceptive portraiture that makes for a compelling read." ESPN "Entertaining, informative and beautifully written, "Barca: The Making of the Greatest Team in the World," is the next best thing to watching Barcelona play. Years from now, this book will be revered as the definitive biography of the most remarkable era in the history of FC Barcelona." Ian McGarry, writer and broadcaster "Superbly-written analysis celebration of Pep, Messi, Xavi etc. Brilliant book." "Daily Telegraph" "Graham Hunter takes you on an unforgettable journey . . . into the famous footballing cathedral of Camp Nou and into the Catalan club's boardroom. He delves deeper than any journalist has ever managed into every nook and cranny of the much-vaunted youth system. You will love it. Hunter's gargantuan effort is quite possibly the best book ever written on FC Barcelona and quite comfortably slots into the top 10 of my all-time sports books." "Irish News" "We'll be talking about this Barcelona team decades from now, and thankfully we'll still have Graham Hunter's magisterial book explaining how it came about. Just as Barca didn't happen by accident, neither does Hunter's acutely observed account. An instant classic." "Sports Illustrated" "No one knows Barcelona like Graham Hunter. This is a penetrating, convincing and fascinating account of the construction of one of the best teams we have seen, full of insight and analysis." "Guardian" "I doubt whether there will ever be a more definitive book about the making of the greatest football team our generation. Pep Guardiola once said to his team that Andres Iniesta would retire them all. Graham Hunter has retired all of us who aspire to write about this team." "Mail on Sunday" "From detailing the out of control influence of Ronaldinho and Deco to confirming Guardiola's genius, it's written with stacks of insight. *****" "Four Four Two" "Full of behind-the-scenes insight into the individuals and the ethos behind Barca's rise to dominance. Utterly astounding." "Scottish Daily Mail" "Fittingly, the making of the greatest team in the world is a subject from which has emerged one of the finest books written on football." "Scotsman"
