Von Stephen In this book, Kevin Nelson provides us with the funniest wisecracks ever said about baseball and its players. This book gives you the inside scoop about what players and managers really think about their owner, (Marge Schott, George Steinbrenner) uncensored. This book features funny quotes said by everyone from Jay Leno to Kathy Lee Gifford to Jose Canseco to baseball writers.

KurzbeschreibungA grand slam of a book. The sequel to the bestselling Baseballs Greatest Insults, with hilarious put-downs and outrageous wisecracks about Americas national pastime. There are no lyrical passages here, no fond reminiscences about childhood games, no tributes to "inspiring" players. Too much real stuff has happened since Kevin Nelson collected Baseball's Greatest Insults in 1984. This hilarious all-star review reveals how the players, managers, umpires, owners, and the sports media really feel about one another. KurzbeschreibungA grand slam of a book.
