**Von Stuart Robson, Yacinta Kurniasih : Basic Indonesian: Downloadable Audio Included** before purchasing it in order to gage whether or not it would be worth my time, and all praised Basic Indonesian: Downloadable Audio Included:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Not without vocabulary knowledgeVon Nina KreuzbergerIn general a nice book, but the exercises are not understandable without dictionary. I tried to begin with it when traveling, but had to write down all words before.0 von 0 Kunden fanden die folgende Rezension hilfreich. Easy to learn bahasa IndonesiaVon Kitty AwondataVery easy way to study

bahasa Indonesia. The lessons are thematically organised. This book really helped me to study the language in an easy way1 von 2 Kunden fanden die folgende Rezension hilfreich. Basic Indonesian Von Arne Honrath Das Buch ist übersichtlich und gut aufgebaut. Eignet sich auch für Selbststudium wenn man ein paar Vorkenntnisse hat. Das Buch ist moderner ausgeprägt, als es die bisherigen Lehrwerke sind. Die beigelegte CD ist allerdings mäßig. Es sind einige Sprachbeispiele drauf - aber da habe ich mir ehrlich gesagt mehr von versprochen.

**Kurzbeschreibung** This is a userfriendly and comprehensive beginner Indonesian book and a great way to learn Indonesian. Divided into 28 graded lessons, Basic Indonesian provides fill-in-the-blank exercises, quizzes, word puzzles and question-and-answer practices to reinforce Indonesian language learning. Extensive cultural notes are provided along with detailed tips on etiquette and appropriate cultural behavior in the world's largest Islamic society. It has been made to fill the need for a one-volume Indonesian course book which can be used for either selfstudy or classroom use by those who are keen to make a start on mastering the Indonesian language. The users might be students in universities or schools outside Indonesia, or expatriates living in Indonesia. The stories are set in Jakarta (apart from an excursion to Yogyakarta), are original and describe realistic situations, contain some interesting cultural sidelights, and display a lively mix of narrative and dialogue. To aid in understanding the nuances of the Indonesian language, chapters include clear Language notes, which, help explain the grammar and build a solid foundation for further steps forward in the study of Indonesian. The MP3 AudioCD is to be used along with the book and reinforces pronunciation while building better listening comprehension. Key features of Basic Indonesian are: 28 graded lessons. Multiple types of accompanying exercises. Entertaining stories and dialogues in mangastyle cartoon strips. Clear grammar and usage notes. Interesting cultural notes. Accompanying MP3 audio-CD Available separately Try Tuttle's Indonesian Flash Cards to reinforce the vocabulary you've learned with Basic Indonesian!
