Von Andrew Sangpil Byon : Basic Korean: A Grammar and Workbook (Grammar Workbooks) before purchasing it in order to gage whether or not it would be worth my time, and all praised Basic Korean: A Grammar and Workbook (Grammar Workbooks):

KurzbeschreibungKorean: A Grammar and Workbook comprises an accessible reference grammar and related exercises in a single volume.This workbook presents twenty-five individual grammar points in lively and realistic contexts, covering the core material which students would expect to encounter in their first year of learning Korean.

Grammar points are followed by examples and exercises which allow students to reinforce and consolidate their learning. Basic Korean is suitable for both class use as well as independent study. Key features include: abundant exercises with full answer key; all Korean entries presented in Hangeul with English translations; glossary of grammatical terms. Clearly presented and user-friendly, Basic Korean provides readers with the essential tools to express themselves in a wide variety of situations, making it an ideal grammar reference and practice resource for both beginners and students with some knowledge of the language. Andrew Sangpil Byon is Assistant Professor at the State University of New York at Albany, where he teaches courses in Korean language and civilization. *Kurzbeschreibung Korean: A Grammar and Workbook* comprises an accessible reference grammar and related exercises in a single volume.
