Comment from a Japanese reader Von Beverly Takeo I am trying to obtain vocabulary level of GRE. And "Basic Word List" is an ideal tool for this. When I encounter unfamiliar words in Business Week magazine, I try to find such words in this book. I am certain that remembering all the index words in this book will strengthen my reading skill.

Kurzbeschreibung This revised and updated book is an effective vocabulary builder especially recommended for students preparing to take the SAT and ACT college entrance tests. More than 2,000 words frequently found on the tests are defined and placed in model sentences. Students hoping to achieve high SAT and ACT scores should know how to use every one of these words. The book also includes vocabulary-building exercises following every group of 40 new words, and a helpful review of word prefixes and roots..de Herein are more than 2,000 ought-to-know words for students preparing for college entrance exams such as the SAT and ACT, and for adults who wish to regain their vocabularies of yore. Each word, from "abase" to "zephyr," is defined and presented in a sentence, a short review of word roots and prefixes is included in the back, the book is easily portable, and the font won't cause eye strain. In addition, the words are separated into manageable word lists to study from (with comprehensive practice tests), providing a pulchritudinous amalgamation of erudition to augment one's sagacious eloquence.
