Von Bob Kane : Batman: A Celebration of 75 Years before purchasing it in order to gage whether or not it would be worth my time, and all praised Batman: A Celebration of 75 Years:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Wenig wirklich Neues, aber nett zusammengestelltVon Kundenrezensionen75 Jahre ist es nun her, dass Robert Kane die Figur des Batman auf die Welt losgelassen hat und wie es sich geht hat DC dazu diese Festtagsausgabe herausgebracht, in der einige der ikonographischen Geschichten des "Dunklen Ritters" zusammengefasst wurden.

Beginnend mit "The Case of the Chemical Syndicate" geht es durch die verschiedenen erzählerischen und künstlerischen Phasen der Veröffentlichungsgeschichte, wobei jeder Abschnitt durch kleine Erläuterungen zu den jeweiligen "Epochen" eingeleitet wird. Am Ende gibt es noch einen Abdruck von "The Case of the Chemical Syndicate" in dem Stil, wie die Geschichte 1939 vorgelegen hat, was schon ganz interessant ist. Joker, Doppelgesicht und einige andere "große" Gegner Batmans werden hier zugunsten der Betrachtung des Künstlerischen und Erzählerischen zurück gestellt - und das ist auch in Ordnung, denn der Joker bekommt dieses Jahr seinen eigenen 75-Jahre-Band und die anderen "Bösewichte" sind mit ihren wichtigen Geschichten schon in etlichen anderen Sammlungen erschienen. Schöne Zusammenstellung zum Jubiläum - wenn mir auch ein wenig ein Ausblick auf die Zukunft fehlt. Für Sammler sicherlich ein Muss-Kauf.

Kurzbeschreibung 2014 marks the 75th anniversary of Batman, the world's greatest detective! And if a hero is measured by his foes, then Batman is truly the greatest hero of all, as his incredible rogues gallery is unrivaled in comics history. This new title collects the best Batman stories of all time, arranged according to era, and featuring appearances by The Joker, The Penguin, Catwoman, The Riddler and many others. In 1936, this self-proclaimed compulsive doodleholer pencilled and inked his first comic book work, Hiram Hick. By 1938 he was selling humorous filler stories to DC Comics, including Professor Doolittle and Ginger Snap. Kane met writer Bill Finger at a party in 1938, and they soon were collaborating on comic book submissions. Their most famous effort, Batman, first appeared in DETECTIVE COMICS #27 (May 1939). As Batmans popularity demanded additional output, Kane kept up the pace by adding assistants and dropping non-Batman assignments. He discontinued his comic book efforts in mid-1943 to pencil the daily Batman and Robin newspaper strip. After the strips 1946 demise, Kane returned to illustrating Batmans comic book adventures and, with the help of several ghosts, remained involved with comics until his retirement in 1968. The success of the Batman television series brought Kane and his art back into the public eye in 1966. He was subsequently featured in various one-man art shows at galleries and museums nationwide and released a number of limited-edition lithographs. He served as a consultant on the 1989 Batman feature film and its sequels. His autobiography, Batman and Me, was published in 1989, and in 1996 he was inducted into the Eisner Awards Hall of Fame. Kane died on November 3, 1998.
