Von Jerry Dean Seeing the Dark Knight in black and white is what made me give this book 5 stars. The black and white artwork was awesome! I must admitt that the short stories were just average, however the artwork saved the short mediocre stories. Well worth the discounted price I paid for it from Bud

Plant Comic Art. A solid 5 star read.0 von 0 Kunden fanden die folgende Rezension hilfreich. Beautiful collection of stories Von Ein Kunde This hardcover collects the excellent 4-issue miniseries from DC Comics. Contains short stories (some serious, some not) by some of the best writers and artists around, plus covers, sketches, gallery, tipped-in plate by Jim Steranko, and a cover image by Jeff Jones. The covers are on art board stock, giving it a very unique appearance. Also includes work by Corben, Simonson, McKeever, Timm, Kristiansen, Toth, Windsor-Smith, Ross, Stelfreeze... that should be enough to get your attention! The only problem I had with it was the brief appearance of Lobo in the Gaiman/Bisley story - can't stand that character.
