Careful ReturnVon KundenrezensionenOn his long journey from the past to the end of the universe and back to the present Bruce Wayne had a lot of time to reflect about his life and his mission. And as usual this lead to a new intricate plan for his mission that he now wishes to implement. But because in a year a lot of things can happen he decides to

observe his extended "family" for a time in disguise to see, where they stand and how they might fit into his new order of things. So we meet - each group or individual in their own chapter - Batman Robin, Red Robin, Prudence, the Outsiders, the new Batgirl, Oracle, Alfred, Catwoman, Commissioner Gordon and Vicky Vale and assorted players on the other side of the coin. All the stories go quite deep and are convincingly linked to each other, so that the link from "Bruce Wayne's Return" to "Red Robin: The Hit-List" is successfully made. I sincerely would like to see more of this narrative and artistic quality in years to come. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein neuer Anfang im Fledermaus-Land! Von Big-red-cheese In den hier gesammelten 8 One-Shots werden die Beziehungen Batmans zu seiner "Familie" nach seiner Rückkehr von den Toten neudefiniert. Gleichzeitig versucht seine Ex-Geliebte ihn bloß zu stellen. Heraus kommt dabei eine durchaus lesenswerte Geschichte, die stellenweise auch mit gutem Artwork auftrumpfen kann. Gleichzeitig dient das Ganze als sehr gelungener Einstiegspunkt für Neuleser.
